

Butler Community College
TRANSFER PROGRAM TO THE UNIVERSITY OF KANSAS
B.S. in Health Information Management

Health Information Management: (913) 588-2425

Website: <http://www.him.kumc.edu/>

Email: him@kumc.edu

Health Information Management (HIM) is a combination of business, science and information technology. Health Information Management professionals are managers: experts in processing, analyzing and reporting information vital to the health care industry. These professionals work in hospitals, accounting firms, insurance companies, information systems vendors, government agencies, pharmaceutical research companies and others.

The HIM program begins in August when students enter their first semester of professional coursework on the KU Medical Center campus in Kansas City, KS. After graduation, HIM students are eligible to sit for the American Health Information Management Association National Registry Examination. Graduates that pass this exam become credentialed and nationally recognized as a Registered Health Information Administrator (RHIA).

Eligibility and Prerequisites

- Students enter the program after accumulating two (2) years of college course work, including prerequisite courses, totaling at least 60 hours.
- Students may apply if currently enrolled or working towards prerequisite coursework. However, all prerequisites must be completed before the start of the program.
- An overall GPA of 2.5 on a 4.0 scale for college coursework is required to be eligible to apply.
- All individuals admitted to the program will be asked to verify that they can meet the technical standards with or without accommodations.

See <http://www.kumc.edu/school-of-health-professions/health-information-management/technical-standards.html>.

- Acceptance into the program is conditional, pending the results of the criminal background check.
- Students accepted to the program must have a personal laptop or tablet computer with minimum requirements as set forth by the program for accessing notes and taking tests in class.

Application Process

- Apply to the program by the February 1 deadline and submit the \$60 application fee.
- Arrange to have one official copy of each transcript from every college and university that you have attended sent directly to KU Medical Center. Electronic transcripts may be submitted to KUMCAdmissions@kumc.edu. For mailed transcripts, please use the following address:

Office of Admissions
Mail Stop 4029
3901 Rainbow Blvd
Kansas City, KS 66160

- Additional application materials such as a Personal Goals Statement, Resume, and 3 Letters of Reference are also required.
- Applicants must complete a video interview. A link will be provided upon submission of your application.

Applications are reviewed upon successful completion & submission of ALL materials.
