NOTES:

Courses may not be used to satisfy more than one degree requirement.

The Environmental/Interior Design degree is a 4 year program from the start of the Foundation studios. Students that transfer with the Foundation studios completed should expect 3 more years to complete their degree at KU. Students that do not have the Foundations year completed at the time of transfer should expect 4 years to complete their degree at KU. All studios are on a Fall/Spring sequence and cannot be taken out of sequence.

The Department of Design will NOT accept general education transfer grades of D+ (1.3) or lower for transfer credit

The Department of Design will NOT accept studio grades of C + (2.3) or lower for transfer credit.

All students that plan to transfer to the Department of Design should contact Samantha Raines, Coordinator of Undergraduate Student Services, a year prior to their desired transfer term. This will help to confirm their progress and prepare them for a timely graduation. See contact email and phone number on the first page of this packet.

The requirements listed above are subject to annual change.
