

Fort Scott Community College

Transfer Program to University of Kansas

B.A. in Architectural Studies

Number to call at KU for advising: (785) 864-3167 for appt with Assoc Dean Michael Swann Website: <http://www.saup.ku.edu/>

Transfer students are admitted on a very selective basis. A strong scholastic background, both in achievement level and curriculum selection, is essential. Transfer Students may be admitted, if space is available, if they have grades of C or higher in one 3-hour mathematics course (equivalent to MATH 105, MATH 106, or MATH 115) and one 4-hour physics course with laboratory (equivalent to PHYS 114) and have overall grade-point average of 3.5.

Upon completion of approximately 60 hours, students should begin to identify academic/career goals. The choice of courses in the third and fourth year of the B.A. degree will prepare students in their selected areas of concentration. Such concentrations might include, but are not limited to environmental studies, art history, or pre-professional education for the Master of Architecture, Master of Urban Planning, Master of Business Administration, Journalism, Law, etc.

Professional M. Arch. III Option: Students interested in the professional M.Arch. degree might reduce the remaining degree requirements by selecting specific architecture electives. Enrollment in the M.Arch. requires admission to the Professional M.Arch program. Students planning on applying to the M. Arch. should take PHSX 114.

All complete applications for summer and fall are considered on February 1 (October 1 for spring). Materials should be mailed far in advance to insure that we receive them by the deadline. Applications received after the deadlines will be considered, but are less likely to be accepted due to space limitations.

- Pass/Fail Policy. Courses may be taken pass/fail for fulfilling English, Humanities, and Social Science requirements. However, ONCE in the School of Architecture & Urban Planning, students can't take a course that is required for graduation on a Pass/Fail basis.
- The requirements listed above are subject to annual change.
- "S" before a number (Ex. MATH S365) indicates the course will be satisfied but will not count toward the number of Junior/Senior (upper-level) hours required for graduation
- A maximum of 64 hours of community college course work can be applied toward a KU degree
- Courses with a grade of D or below do not transfer
