- Pass/Fail Policy. Two courses may be taken pass/fail. However, ONCE in the School of Education, students can’t take a course that is required for graduation on a Pass/Fail basis.
- “S” before a number (Ex. MATH S365) indicates the course will be satisfied but will not count toward the number of Junior/Senior (upper-level) hours required for graduation
- The requirements listed above are subject to annual change
- A maximum of 64 hours of community college course work can be applied toward a KU degree
- Courses with a grade of D or below do not transfer
